BUTLER WATER SUPPORTS MORGANTOWN MISSION

(Morgantown, KY)- Butler County Water System, Inc. is hosting a food drive to support the Morgantown Mission. Throughout the month of October, Butler Water will collect non-perishable food items at its office at 104 South Tyler Street to help stock the Mission's pantry.

"We are glad to help support this worthwhile cause," said Alan Vilines, Butler Water general manager. "We encourage everyone to join us in helping those less fortunate in our community."

Morgantown Mission

About Butler County Water System, Inc.

Butler Water serves a diverse blend of residential, agricultural, commercial and industrial water users. The system provides an average of 850,000 gallons of water each day through a network of 487 miles of pipeline in a 440-square-mile area. Butler Water draws its water from the Green River which is then treated at its treatment plant in Morgantown. Details about Butler Water can be found online at butlerwater.com.
