

CONTRACTOR'S AGREEMENT

WHEREAS, _____ (the Developer) has entered into a Water Line Extension Agreement with _____ County Water District (the District) dated _____; and

WHEREAS, _____ (the Contractor) has been employed by the Developer for the construction work covered by said Agreement.

The Contractor hereby acknowledges and agrees as follows:

1. The cost of said construction work is the responsibility of the Developer.
2. The Contractor is familiar with the District's Water Line Extension Agreement, Standard Specifications and Details, and will construct the extension in accordance with the plans approved by District specific to the extension.
3. If questions arise concerning the interpretation of the specifications, the District's interpretation will be final.
